《(托普赛和提姆)TOPSY AND TI》

内容概要

Topsy and Tim are going to stay for lunch at playgroup for the first time. This means they can have new lunch boxes, and they can bake some cookies to go in them. When it comes to lunchtime they are very curious to see what all the other children have to eat. Miss Maypole explains that they have to leave their leftovers in their lunchbox so their mums can tell what they have eaten. Topsy and Tim enjoy eating from their lunch boxes so much that they ask to stay every day. This fun story reassures children about eating away from home for the first time, and shows what fun it can be to have your own lunchbox!

精彩短评

1、Topsy and Tim系列的书我都很喜欢，非常贴近生活而且不会感觉不是流水帐似的标准化、同质化系列绘本，作者还是很用心去写。别人五十年前已经有这类绘本，我们的呢，直至今天还在实行以驯化人为目的的教育吧，但这个恶果最终还是自尝的。
