《The Book of Love Sym》

内容概要

From Cupid to mistletoe, The Book of Love Symbols explores the wonderful and arcane world of love. This charming little volume contains a wealth of lovers' lore, touching on topics such as Venus, Eros, and Aphrodite; the language of flowers and love-tokens; emblems of passion, seduction, and fidelity; and the romantic symbolism of the moon and stars.

Colorful illustrations and striking photography combine with an insightful text to unravel the twists and turns of both earthly and spiritual love. The Book of Love Symbols is an enchanting voyage through the history, folklore, and symbolism of love that makes the perfect memento for you or any one of your loved ones.

精彩短评

- 1、买了就后悔
- 2、郁闷中。。。拿到手的居然只有一小本，薄薄的，内容很少，果然进口的书籍价位都不斐阿。以后要支持中国原版，有质感，有质量阿
