## 内容概要

With 80 pages of coloring fun, kids are sure to keep the "Wholiday" spirit alive this Christmas! Based on Dr. Seuss's classic picture book, *How the Grinch Stole Christmas*, and the motion picture screenplay of the same name, this rhyming coloring book is chock-full of lively illustrations of the Grinch (in young and old incarnations), his faithful dog, Max, and the stubbornly cheerful Whos of Whoville. Color in the pictures and tear them out to post on the fridge or give to a favorite friend. But wait, there's more! The back cover features a paper doll cutout of a very grumpy looking Grinch in Santa wear. (Ages 3 to 7) --Emilie Coulter
