# 《趙無極 無極以外》

## 內容概要

In October 2012, Hong Kong based gallery FEAST Projects presented ‘ ZAO WOU-KI – BEYOND ’ , a solo exhibition showcased the most recent watercolour paintings by the celebrated Chinese master Zao Wou-Ki. A coloured-catalogue was published on this occasion.

The catalogue highlights 15 large watercolour paintings of the artist, dated from 2004 to 2009. Some were painted from nature, directly observing subjects, conveying great verve, freshness and immediacy.

A preface written by FEAST Projects ’ Founder and Director Philippe Koutouzis is also entailed in the catalogue alongside a text by Carr Patterson on the lessons with her mentor Zao Wou-Ki.
