《（完美）PERFECT ENTERT》

内容概要

The secret to entertaining with panache is being prepared. Perfect Entertaining will help the seasoned host, the novice party-giver, and everyone in between. When weekend guests appear for an extended party, fortify them with self-serve sandwich stations and stock up the tea and coffee service. Learn professional caterers' tips for setting up killer dessert buffets to elicit "oohs" and "aahs." A party doesn't have to be stressful. Perfect Entertaining will show how even the host can kick back, have a drink, and enjoy their own party.
