We have entered into a very exciting co-buy with Madeline McIntosh, President of Penguin Publishing Group for two books and will be working closely with Meg Leder, the editor of Wreck This Journal.

Features seventy hand-inked black line-illustrations, it ' s this slow, organic, handcrafted quality that is a huge part of the appeal. We will create an original and beautiful package with pull-out poster and printed on paper perfect for working with ink pens.

Johanna ' s books have a universal appeal, both home and abroad, appealing to children, adults and the enthusiastic craft/creativity/interactive journal market. Colouring as stress-relief has also been a huge trend in the media and Johanna is the ideal spokesperson. There's also scope for workshops and events.
