# 《Windows Vista 大突破》

## 内容概要

Learn how to use the Microsoft Windows Vista features that interest you most with this full-color guide that gives you the straight scoop. Packed with information in manageable-sized projects, you can jump right in to any topic that interests you. You'll discover everything from how to set up your new operating system, to accessing the Windows Vista Sidebar and customizing it with the gadgets you use most, to helping ensure a more secure setup. Plus, you can discover the media possibilities with Windows Vista: set up Media Center and watch and record live television; create, share, and organize your photos, music, and videos; be a director and make your own movies with Movie Maker. Discover the possibilities of what you can do with Windows Vista!
