《Planning Guide for t》

内容概要

An indispensable reference tool, offering professionals hands-on legal and tax planning tips

An essential guide for professionals representing and advising tax-exempt organizations, *Planning Guide for the Law of Tax-Exempt Organizations* offers a wide variety of practical planning tips, guidance, and helpful information for better meeting clients' needs. This essential companion to the bestselling *The Law of Tax-Exempt Organizations, Ninth Edition* is a valuable, go-to resource for lawyers and accountants, directors and officers of nonprofit organizations, as well as managers and consultants for tax-exempt organizations.

Written by the leading legal authority in the nonprofit sector, *Planning Guide for the Law of Tax-Exempt Organizations* features a digest of recent legislation, court opinions, and IRS public and private rulings, as well as checklists of forms and an inventory of penalties.

Additionally, it features commentaries designed to provide guidance and perspective to tax-exempt professionals and organizations as to how to cope with the developments in the law affecting their practices and the operation of their programs.
