《Adventures of Paddy》

内容概要

As this delightful story opens , something strange is going on!The watsr of the Laughing Brook and Smiling Pool have become a mere trickle , causing alarm among the creatures of the Green Forest . It seems Jerry Muskrat ' S cousin , Paddy the Beave has come South to make himself a new home . That means he had to stop the waters that flowed in the Laughing Brook and Smiling Pool to make a fine new pond for himself and a comfortable home of sticks and mud . But what will happen to the waterways in the Green Forest? Young readers will find out in this charming tale of woodland adven-ture , as the gentle , good—natured beaver wins over scolding Sammy Jay and the two work together to outsmart Old Man Coyote . This timeless story,with original illustrations by Harrison Cady,not only entertains young readers and listeners , it also imparts valuable lessons about friendship , trust , and respect for the environment .
