《(巨人)Gigantic》

内容概要

An extraordinary collection of dynamic stories by an exciting new voice in American fiction, Gigantic features ten powerful stories of emotional stagnation and personal transformation, passion and violence, race and community, that are viscerally immediate in their impact and otherworldly in their scope. In "What Good Is You Anyway?" a struggling mattress salesman witnesses a horrific car accident at his bus stop and embarks on a wild journey that will lead him to put his life in order, beginning with his troubled relationship with his disabled alcoholic father. In "Quality Fuel for Electric Living, " a sanitation worker, recovering from a romantic breakup and a painful hangover, suddenly faces a life-threatening situation while collecting an unusual deer carcass. In "Thursday the Sixteenth, " a club manager dating the ex-girlfriend of a reggae singer unwittingly becomes entangled in a chain of events that ends in a violent confrontation. At turns comic and heartbreaking, and at all times rich with language and meanings that operate simultaneously on a variety of levels, the stories of Gigantic mark the arrival of an exciting voice in American fiction.
