# 《简捷计算机转移与备份 Simple Co》

## 内容概要

CA has assembled dozens of real-world stories from customers to help readers understand how to use the included software to move all of their songs, pictures, files, and settings over to a new computer or how to back up their files to keep them safe Shows what can go wrong and how to use the software to prevent a data disaster  
Straightforward language and simple terms that are low on "tech speak" explain what users need to do to combat potential problems and how to schedule a recurring backup of a PC's DNA in order to restore the desktop in the event of a disaster CA will include its complete Desktop DNA Migrator software free with this book, which readers can use to move all their data and settings from an old computer to a new one (valued at \$60.00; no renewal needed) Note: CD-ROM/DVD and other supplementary materials are not included as part of eBook file.
