《宋美龄传》

内容概要

To admirers , the wife of the Nationalist dictator of China and later Taiwan was a symbol of resistance to Communist tyranny ; to detractors , she was a crafty “ Dragon Lady ” or a quisling of American imperialism。 In this absorbing biography , Li , a former Taiwan correspondent for the Financial Times , manages a balanced portrait that situates Madame Chiang in an uneasy borderland between East and West。 In her charm offensives to the United States seeking military aid during WWII , the author writes , the glamorous , Wellesley-educated Madame Chiang embodied a modern , Westernizing China that made her “ a perfect focus for America ’ s rescue complex。 ” But Li also finds her “ quintessentially Chinese ” in her submissiveness to her husband ’ s authority and “ loyalty to clan and personality over principle。 ” Amply conveying her subject ’ s charisma without falling under its spell , Li diagnoses Madame Chiang as a classic “ narcissistic personality ” and critiques her complicity in the Nationalist regime ’ s brutality and corruption and her lavish lifestyle , which alienated China ’ s impoverished masses。 Li is barely adequate at sketching the 105 years of Chinese history Chiang ’ s life spanned , but she offers a well-researched , fluently written assessment of the life and impact of one of the 20th century ’ s iconic figures。 Photos , map。

《宋美龄传》

精彩短评

1、至此，延安彻底的败给了宋美龄，林毅夫妹妹也终于成为了女儿胎盘中的降头，关于下水道美人鱼，也关于道家暴力，他们在蒙古的大血之后钻进女儿的胎盘，女儿就在外面进入佛门，扛着父的走过了婚礼，有了一些甲子也有了一个水如光一样偶尔切割麦子和村庄，天山和邵阳：那胎盘，是血气清洗不到的地方，那胎盘，是元气镇压不到的地方，就这样在胎盘里吃着女儿，养活家庭呕吐出婚礼，我要歌颂科学，也要歌颂林毅夫妹妹
