内容概要

在线阅读本书

Toeing the line between being staunchly Canadian and culturally American, Toronto shifts between both worlds with verve and open-mindedness. This comprehensive guide is your entr é e to its many facets: the culinary scene is as deliciously diverse as its population, the artistic community breaks conventions on a daily basis and its great outdoors are awash with options - from cycling and skiing to hiking and hockey. Socially enlightened, multicultural and uniquely Canadian - welcome to T.O.!

Save The Date - expanded arts and city calendars clue you in to Toronto's best festivals and events.

Torontonians Talk! - interviews with locals reveal the city's hidden haunts and favorite hotspots.

Charge It - craving couture or vintage? Get your fashion fix with our enhanced Shopping chapter, penned by a true fashionista.

Take The Fall - experience the iconic force of Niagra and other nearby wonders with our Excursions chapter.

Go Green - book-wide information on making your urban adventure an ecofriendly one.
