《THE FIRE 火》

内容概要

2003, Colorado: Alexandra Solarin is summoned home to her family ' s ancestral Rocky Mountain hideaway for her mother ' s birthday. Thirty years ago, her parents, Cat Velis and Alexander Solarin, believed that they had scattered the pieces of the Montglane Service around the world, burying with the chessmen the secrets of the power that comes with possessing them. But Alexandra arrives to find that her mother is missing – and that the Game has begun again.

1822, Albania: Haidee, the young daughter of a powerful Ottoman ruler, embarks on a dangerous mission to smuggle a valuable relic out of Albania and deliver it into the hands of the one man who might be able to save it. Haidee ' s journey brings forth chilling revelations that burn through history to the present day.
