# 《CASE FILES INTERNAL》

## 内容概要

Sixty internal medicine cases with complete discussion offer the most outstanding clerkship and USMLE Step 2 review possible. "Case Files: Internal Medicine, 2e" presents sixty clinical cases illustrating key points. Each case includes an extended discussion, definition of terms, clinical pearls, and USMLE format review questions. This interactive learning system is proven to improve shelf-exam scores and helps students to learn in the context of real patients instead of simply memorizing.
