内容概要

Among Mozart's most magnificent works are his compositions on sacred texts, scored for voices and various orchestral combinations. This volume features the brilliant "Exsultate, jubilate" (K165) — the world-famous work that is a must in the repertoire of every soprano. Also includes "Tantum Ergo" (K197), "Sancta Maria, mater Dei" (K273), "Regina coeli" (K276), and "Vesperae de Domenica" (K321).
