## 《Jess Makes a Promise》

### 内容概要

Riding on the back of Monty, the Whale Express, to the Beachcomber Islands, the mermaids come under attack from a whaling boat. Jess devises an ingenious plan to outwit the whalers as well as helping the smaller sealife at the bottom of the ocean as well. Although Jess puts herself into a lot of danger to save her friends, her actions also lead the brave mermaids towards the next Snow Diamond. 作者简介： Gillian Shields is the author of several picture books for children including Ben and Gran and the Whole, Wide, Wonderful World illustrated by Katherine McEwen and published by Macmillan in 2004 and The Starlight Baby illustrated by Elizabeth Harbour and published by Simon and Schuster in 2005. Helen Turner was born in 1980 and grew up in the North East of England. After receiving her BA Honours in Graphic Design at Nottingham Trent University in 2003, Helen found her big break illustrating the problem pages for Mizz magazine and star signs for Bliss magazine. In 2005 she started illustrating for children's educational books. Working for Oxford University Press and QED Publishing, Helen has illustrated a wide variety of interesting characters - from alien teachers and tyrannosaurus rex to children with magic socks and talking dolls! A series of books she has illustrated called Everybody Feels by Jane Bingham, will be published by QED in September 2006.
