《Baby Touch and Feel-》

内容概要

This title helps your baby discover all about colors and shapes with touch and feel textures. Stroke, tickle and touch the textures together with your baby and help them discover all about colors and shapes. Let their little hands roam and feel how silky the butterflies are and how bumpy the oranges feel. They'll learn as you play. Twinkly, bumpy, scaly, silky, sandy, sticky and shiny textures in a chunky package: perfect for encouraging tiny fingers to explore and tiny minds to develop.
