《Cold is the Grave 墓》

内容概要

'A writer at the very height of his powers' - Ian Rankin. Detective Chief Inspector Alan Banks has reached a turning point. With his wife now living with another man in London and his career in the doldrums thanks to Chief Constable Riddle, it is time to ring the changes. Perhaps a move to the National Crime Squad? Perhaps a second chance with Sandra? But then late one night, he is summoned to Riddle's house - and his plans take a surprising new turn. For the Chief Constable's sixteen-year-old daughter Emily has run away and for once Riddle wants Banks to use his unorthodox methods to find her without fuss.
