《Celebrating the Live》

内容概要

From Library Journal "This book is a sampler , and within its pages Jewish American and Canadian women have contributed pieces of writing that , like pieces of embroidery , illustrate their lives , " assert editors Siegel and Cole (Jewish Women in Therapy: Seen But Not Heard , Haworth , 1991) of this collection of personal essays. Contributors include a wide-ranging group of Jewish women?young and old; conservatives and liberals; converts; lesbians and heterosexuals?and all attempt to "break the silence" traditionally expected of Jewish women. While embroidered samplers may include an assortment of stitches , there is usually a cohesiveness of style that lends a sense of unity to the piece. Unfortunately , the tone of these essays is so uneven?from academic-with-footnotes to casual memoir?that the collection lacks an overall unity and will be hard to recommend to specific groups of readers.?Marcia G.
