《SAT CRAM COURSE SAT俊》

内容概要

There are many people who cannot or simply will not spend more than 10 hours studying for an exam. If you agree with one or more of the following statements, this book is just right for you.

Updated for the new test format effective in March 1994, this guide to scoring high on the SAT offers helpful tips, simple shortcuts, and a last-minute review.

《SAT CRAM COURSE SAT俊》
