《A History of Western》

内容概要

This volume covers the main developments and themes of Western civilization up to the Enlightenment. Social and economic history are areas of special emphasis, and the text also pays attention to traditional political and cultural developments. Ancillary package available upon adoption.

Focusing on the lives of ordinary people, this volume covers the main developments and themes of Western civilization up to the Enlightenment. Social and economic history are areas of special emphasis, and the text also pays attention to traditional political and cultural developments, with a view to providing a well-rounded view of Western history.

An ancillary package is available upon adoption.
