# 《图说百年中国》

## 内容概要

《图说百年中国(英文版)》内容简介：In the period 1911-2012 China underwent drastic changes, and emerged from weakness to revival, from tradition to modernity. These significant changes were unprecedented in China, as they affected people of all walks of life. The book vividly showcases this dynamic progression of changes in more than 400 pictures, aided by pithy narration. It tells how the general public led their lives in this period, as well as their aspirations in that changing society. This book is an accessible and beneficial read for everyone to understand China's past, identify with its present and look to its future.

## 作者简介

Wang Xu was born in 1982 in Beijing. He graduated with a Ph.D from the School of History of Beijing Normal University. He is now a lecturer at the Party School of the Central Committee of the CPC. He is engaged in the study of modern Chinese history and Chinese social history in the 20th century. He has published several academic papers in domestic journals and been involved in major research programs sponsored by the National Social Science Fund. His works include the Life of the Descendants of Chiang Kai-shek (under the pseudonym Yu Xi).
