《One Fish, Two Fish, 》

内容概要

"Did you ever fly a kite in bed? Did you ever walk with ten cats on your head?" Such are the profound, philosophical queries posed in this well-loved classic by Theodor "Dr. Seuss" Geisel. While many rhymes in this couplet collection resemble sphinx-worthy riddles, Seuss's intention is clear: teach children to read in a way that is both entertaining and educational. It matters little that each wonderful vignette has nothing to do with the one that follows. (We move seamlessly from a one-humped Wump and Mister Gump to yellow pets called the Zeds with one hair upon their heads.) Children today will be as entranced by these ridiculous rhymes as they have been since the book's original publication in 1960--so amused and enchanted, in fact, they may not even notice they are learning to read! (Ages 4 to 8) --This text refers to the Hardcover edition.

Dr. Seuss ignites a child's imagination with his mischievous characters and zany verses. The Express --This text refers to an out of print or unavailable edition of this title.
