## 内容概要

### Book Description

This book is the fruit of over thirty years of research. Hundreds of interviews, including with Jackson himself (although he has in no way authorized this book), provide access to the very closest circles of the Jackson family and their associates. Cutting through tabloid rumours and innuendo, J. Randy Taraborrelli traces the real story behind the Michael Jackson we see and hear today, from his drilling as a child star through the blooming of his talent to his every-changing personal appearance and bizarre publicity stunts.

This biography includes the behind-the-scenes story to many of the landmarks in Jackson's life: his legal and commercial battles, his marriages to Lisa Marie Presley and Debbie Rowe, his passions and addictions, his children.

### Synopsis

So much has now been said and written about the life and career of Michael Jackson that it has become almost impossible to disentangle the man from the myth. Rumours abound; his own statements often fail to clarify controversial issues. The truth may be stranger than any fiction, such is the uniqueness of the world in which he lives, and his vision of the world. Recent revelations are of course only the latest instalments of a saga that began decades ago, and simply add more twists to an already-tangled family epic. This book is the fruit of over 30 years of research and intimate knowledge, and hundreds of interviews, including some with Jackson himself, provide access to the very closest circles of the Jackson family and their associates. Cutting through tabloid rumours and innuendo, J. Randy Taraborrelli traces the real story behind the Michael Jackson we see and hear today, from his drilling as a child star through the blooming of his talent to his ever-changing personal appearance and bizarre publicity stunts. This biography includes the behind-the-scenes story to many of the landmarks in Jackson's life: his legal and commercial battles, his marriages, his passions and addictions, his children.

## 精彩短评

- 1、作者尽量客观，但是客观得做作了
- 2、天可怜见，700多页的英文啊，我竟然看完了，要不是MJ.....
- 3、MJ was a good man. His life is eternal mystery, and his music divine. A nice and honest book.
