《"Disney" Animals: Th》

内容概要

This is your essential guide to some of the cutest and best-loved characters ever to pad, swim or fly across the big screen. From characters like Baloo and Bambi to great films like Finding Nemo or 101 Dalmatians, get under the fur and discover the animals within. This book contains everything you need to know: Marvellous Mutts and Moggies, Captive Creatures, Tiny Titans, Wild & Crazy Guys and Watery Wonders. See the animal's homes and environments in fascinating detail - from Pongo and Perdita to Simba and Marlin. Meet the friends (ahhh), foes (grrrr) and humans they share their time with. Including never-seen-before illustrations and scenes from the movies, this book gives in-depth profiles, classic quotes, quips and survival tips. All are introduced by Disney's Jiminy Cricket.
