# 《走近心灵》

## 作者简介

If you are reaching out to the Mainland Chinese, or are interested in doing so, this ministry handbook is especially written for you. This is a ministry handbook on how to evangelize Mainland Chinese intellectuals that is specific, constructive and comprehensive. It is written with ration, affection and insight, and can be of great help to every Chinese and English-speaking Christian eager to learn how to reach out to people from a different cultural background. This handbook is suitable for use in personal study, small group discussions, or adult Sunday School classes.
