51 Success Stories from Canadian Real Estate Investors chronicles the incredible successes -- and near-misses -- of Canadian investors who employ strategies designed by Canada's best-selling real estate author, Don R. Campbell. In his first two best-sellers, Real Estate Investing in Canada and 97 Tips for Canadian Real Estate Investors, Campbell shows what it takes to succeed in real estate investing. In his third book, Campbell casts a spotlight on the success stories of investors as well as exploring examples of occasions when investing initiatives do not go so well. In his assessments, Campbell illustrates how to avoid these circumstances and what to learn from them. The end result is further proof that Campbell's time-proven techniques and in-depth knowledge are essential reading for every real estate investor in Canada.
