《爱尔兰5000年文化的艺术表达》

内容概要

THE physical beauty of Ireland is well documented. The literature is herald-ed the world over as one of Ireland's most splendid gifts. But Ireland's gift is morethan pretty landscape and great literature. With Ireland's Treasures: 5000 Years of Artistic Expression we are invited to celebrate the vig- orously rich Irish cultural heritage that began more than five hundred years before the pyr-amids were builc.
