《Dark Emperor and Oth》

内容概要

Come feel the cool and shadowed breeze, come smell your way among the trees, come touch rough bark and leathery leaves: Welcome to the night. Welcome to the night, where mice stir and furry moths flutter. Where snails spiral into shells as orb spiders circle in silk. Where the roots of oak trees recover and repair from their time in the light. Where the porcupette eats delicaciesraspberry leaves!and coos and sings. Come out to the cool, night wood, and buzz and hoot and howlbut do beware of the great horned owl for it ' s wild and it ' s windy way out in the woods!
