《穿牛仔裤的十字军》

作者简介

《穿牛仔裤的十字军》是荷兰史上最受欢迎的儿童书籍之一。此版本是荷兰原版,最近这本书还被翻拍成了一部英语电影。

"Crusade in Jeans" is one of the most popular Dutch children's books ever. This is the original Dutch book. The book is recently made into an English spoken movie !

Story about 16 year old Dolf Wega. He just screwed up an important soccer match and wants to use the scientific experiment of his mother - a time machine - to go back in time to fix it. Unfortunately he types in the wrong data and arrives in the year 1212. He almost gets mugged by two thieves but he's rescued by Jenne. He joins a children's crusade heading for Jerusalem and with his modern wit and responsibility he becomes the actual leader of the group. But what are the real plans of the people who organized this crusade? And why are they heading for Genoa in Italy instead of Israel?
