内容概要

In this best-selling annual volume, the winners of the 36th annual Society of Publication Designer's competition are beautifully displayed in dramatic full color spreads. Selected from more than 8,000 entries received and judged by a group of 40 top editorial designers worldwide, the images in this impressive collection showcase the most talented designers in categories including magazine and newspaper design, online design, illustrations and photography. Acknowledging the important role of the art director and designers in the creation and development of the printed page, this is an essential reference tool for designers, educators, design students, and publishers.
