《第七届国际海事大学联合会年会论文集》

内容概要

On the occasion of the 7th Annual General Assembly of International-Association of Maritime Universities (IAMU), as Head of Local Executive Committee of the-Assembly, I would like to take the honor, on behalf of Dalian Maritime University and IAMU, to express the warmest welcome and sincere greetings to all the guests from all over the world. IAMU was founded by seven universities representing the five continents of the world in 1999. Since then, IAMU has significantly expanded its membership, and now boasts 45 members, including 44 institutions of the world's maritime education and training-universities/faculties, and the sponsor The Nippon Foundation.
