內容簡介

故事內容是寫一個十九歲的女學生，在護士學校學習完整理論後，準備到醫院實際學習，她從一個自信滿滿的單純少女，在歷經一連串的實際學習，從不同的病人中，看到了人的堅強，也看到了人的脆弱。而這一切改變了她的想法，也改變了她的人生……

This is the story of a 19-year old nursing student who has just completed her studies and is preparing to enter the hospital to do her practical training. She starts out as a simple young woman brimming with self-confidence, but after she has a series of real-life experiences while taking care of her patients – seeing their strengths as well as their weaknesses – it changes her way of thinking as well as her life...
