## 《At Bertrams Hotel伯特》

### 内容概要

An old-fashioned London Hotel is not quite as reputable as it makes out...When Miss Marple comes up from the country for a holiday in London, she finds what she's looking for at Bertram's Hotel: traditional decor, impeccable service and an unmistakable atmosphere of danger behind the highly polished veneer. Yet, not even Miss Marple can foresee the violent chain of events set in motion when an eccentric guest makes his way to the airport on the wrong day!

### 作者简介

Agatha Christie was born in Torquay in 1890 and became, quite simply, the best-selling novelist in history. Her first novel, *The Mysterious Affair at Styles*, written towards the end of the First World War, introduced us to Hercule Poirot, who was to become the most popular detective in crime fiction since Sherlock Holmes. She is known throughout the world as the Queen of Crime. Her books have sold over a billion copies in the English language and another billion in over 100 foreign languages. She is the author of 80 crime novels and short story collections, 19 plays, and six novels under the name of Mary Westmacott

### 媒体关注与评论

'One of the author's very best productions, with splendid pace, bright lines.' Saturday Review of Literature 'A joy to read from beginning to end, especially in its acute sensitivity to the contrasts between this era and that of Miss Marple's youth.' New York Times 'Miss Christie's pearly talent for dealing with all the words and pomps that go with murder English-style shimmers steadily in this tale of the noisy woe that shatters the extremely expensive peace of Bertram's famously old-fashioned hotel.' New Yorker
