# 《堤防工程》

## 内容概要

The book has 9 chapters, and they are developed by Prof. The work presented in this book could not have been completed without the help and encouragement of many people. Deeply thanks to Professor J.K.Vrijing from Delft University of Technology ,the Netherlands and Professor Suo Lisheng from Ministry of Water Resources, China, for their many valuable discussions and detailed comments on the book. 本书是河海大学和荷兰大学的合作项目的成果总结，全书用英文写作，是国内第一本堤防工程方面的英文书，可供设计人员参考，也可供学生、教师学习专业英文。
