章节摘录

How can I get mum to drive me to school? Q: Is there any way I can get my mom to drive me to school? She says walking is good exercise. My friend Ann lives closer to school, but her mom drives her to school. She is there in two or three minutes! Going by car is the fastest way. If it rains, she won't get wet, either. It takes me about ten minutes to walk to school. If it rains, I get wet. It isn't fair (公平的)! Mary A: Dear Mary, I think you want me to feel sorry for you! But I don't feel sorry for you. I think you just want a few more minutes in bed in the morning. Walking is good exercise! Lots of people don't get enough exercise, so I think it is probably a good idea for you to walk. You are going to school in the healthiest way. You may not be the closest to school but you are close. A ten-minute walk to school and back each day will help to keep you fit. Maybe you need an umbrella for wet days. I'm sure your mother has made sure you have a good coat and boots for wet days. Maybe you just don't want to use them because they are not fashionable. Try to think positively about the walk!
