章节摘录

In the sea, bigger fish often eat the smaller ones. But sometimes a small fish can be great too! There is a small fish like this in the American cartoon film *Shark Tale*. It just came out in October. In the film, Oscar is a small fish and talks a lot. He has very big dreams (梦想). He wants to be the No. 1 fish in the sea! But, in fact, he is only a cleaner. Angie is his friend. She often helps him. She thinks Oscar does a good job and she loves Oscar. One day, a shark named Frankie dies. An anchor (船锚) hits him. But Oscar says he killed Frankie! So, he quickly becomes a hero (英雄). People call him the Shark Killer. But it's not a fun game. Oscar gets into a lot of trouble! Frankie's father, Don Lino, is the shark head. He wants Oscar to die for his son, and sends a group of fish to get him! Oscar also meets Lola. Lola is a pretty but bad fish. She tries to make Oscar like her.
