章节摘录

For example , young people like to do things without much 6 It' s one of their ways to 7 that they grow up and they can solve and difficult problems. Older people 8 more easily. Most of them plan things ahead and don't like their plans to be 9 . So when you want your parents to let you do something , you will have better success 10 you ask before you really start doing it. Young people often make their parents angry by clothes they wear , the music they enjoy and something else. But they don't 11 to cause any trouble. They just feel that in this way they can be cut off from the old people's world and they want to make a new culture 12 their own. And if their parents don't like their music or clothes or their way of speech , the young people feel very sad. Sometimes 13 going out with their parents , they just want to stay at home 14 and do what they like. If you plan to do something , you'd better win your parents over and get them to understand you. 15 your parents will certainly let you do what you want to do.
