《北京之旅》

内容概要

Being the political center of the Yuan, Ming, and Qing dynasties, the whole city of Beijing was saturated with august imperial flavor. However, outside the imperial city in Beijing's Hutongs and Siheyuan, things are quite different where ordinary people lived simply and happily one generation after another. When in Beijing, be prepared to.

Hold your breath when standing in front of the Forbidden City, Tian'anmen Square, the Summer Palace, the Great Wall, etc.

Be amazed by the Peking Opera and acrobatics performances. Exhaust yourself while doing shopping among numerous departments and shopping malls. Forget your weight when dining at local restaurants.
