## 内容概要

《上海地铁观光指南(英文版)》主要内容：Welcome to Shanghai ! This is a convenient handbook to keep you company during your travels on the city's Metro lines. The book provides fundamental tourist information, such as hotels, historical sites, cultural facilities, restaurants and entertainment venues, of the 10 major scenic areas accessible to the Metro network. The folded maps in this book offer detailed outlines of the scenic areas and available Metro lines. You can easily identify the locations of the tourist attractions as well as the nearby Metro stations on the maps, and find out the quickest route to your desired destination through the fast Metro network. With the helpful guidance of this handbook, you can take a cheerful ride on the Metro to visit the tourist attractions in different parts of the city and appreciate the unique appeals of Shanghai in an efficient and insightful way. The 160 beautiful pictures in the handbook serve as both an illustration of the tourist sites and a joyful reminder of your touring experience in Shanghai.
