《中国最美的地方》

内容概要

《中国最美的地方》主要内容：It's really hard to tell how many beautiful places there are on China's 9.6 million square kilometers of land and its 3 million square kilometers of seas. Though many similar comparisons have been made, using different criteria, methods and categories, we still believed that we should make our own summary. I am sure you will fully appreciate this, as you browse the pages of this book.

《中国最美的地方》

精彩短评

- 1、好但是贵，每期都买就别过日子了，哈
- 2、去年上半年买了一本送给我不识中文的主管,随后想再买一本就缺货至今,希望当当能再进一批货!
- 3、我读的是中文版
- 4、补，17岁的生气礼物，2005年冬-
- 5、这个版本和2005年10月发行版有点不一样，但一样是精品！
- 6、人文情怀很重。原来我大中国还有这么多美丽的地方啊。但我始终不敢相信这么美的经典能够被很好的经营和挖掘。 still need more time。
- 7、真美，美不胜收！
