《雪域西藏风情录》

内容概要

Since reform and open policy, China's foreign trade has developed rapidly. In 1999, China's total import and export trade value reached US\$360.7 billion, ranking ninth in the world. The value of exports was US\$194.9 billion and imports US\$165.8 billion. While the scale of foreign trade is constantly expanding, the structure of commodity exports from China has clearly been optimized. Chinese commodities with their low prices and high quality and generally welcomed by people of all countries in the world. China's trade partners and spread all over the world, reaching the present 227 countries and regions from just a few dozen in 1978. 本书为英文版。

编辑推荐

This book tells the story of the Tea Road. Its subject is economic and cultural history; how the Tea Road bound the Eurasian continent into one unit. The vehicle for this story is tea, a material of profound significance in the lives of diverse peoples and a material that can be used to track a continent's people. 本书为英文版。

精彩短评

- 1、此书很好因为目前茶书英文版就很少？而且此书写得真实。
- 2、想看这本书，记忆停留在高中时代，门口书店老板手里拿一本，匆匆翻了翻，那是我第一次近距离了解西藏，后来一直想买这本书，却买不到，当当也没有
- 3、早年间
