章节摘录

If I Had My Life to Live Over 如果生命可以重来 诗歌导航 如果能够重活一次，我们的生命会有所不同，还是重演一遍？这首《If I Had My Life to Live Over》，不算是名家作品，但却是一首名诗，是作者Erma Bombeck在意识到自己将死于癌症时写下的一首朴素真挚的小诗。它告诉我们，对于一个即将离开这个世界的人来说，这个世界上什么是最重要的。或许，对于我们这些生者来说，会引起一些思索吧。

作品赏析 I would have gone to bed when I was sick instead of pretending the earth would go into a holding pattern if I weren't there for the day. I would have burned the pink candle sculpted like a rose before it melted in storage. I would have talked less and listened more. I would have invited friends over to dinner even if the carpet was stained, or the sofa faded. I would have eaten the popcorn in the "good" living room and worried much less about the dirt when someone wanted to light a fire in the fireplace. I would have taken the time to listen to my grandfather ramble about his youth. I would have shared more of the responsibility carried by my husband. I would never have insisted the car windows be rolled up on a summer day because my hair had just been teased and sprayed. I would have sat on the lawn with my grass stains. I would have cried and laughed less while watching television and more while watching life. I would never have bought anything just because it was practical, wouldn't show soil, or was guaranteed to last a lifetime. Instead of wishing away nine months of pregnancy, I'd have cherished every moment and realized that the wonderment growing inside me was the only chance in life to assist God in a miracle. When my kids kissed me impetuously, I would never have said, "Later. Now go get washed up for dinner." There would have been more "I love you's" More "I'm sorry's." But mostly, given another shot at life, I would seize every minute. Look at it and really see it. Live it and never give it back. Stop sweating the small stuff! Don't worry about who doesn't like you, who has more, or who's doing what. Instead, let's cherish the relationships we have with those who do love us. Let's think about what God has blessed us with. And what we are doing each day to promote ourselves mentally, physically, emotionally, as well as spiritually. Life is too short to let it pass you by. We only have one shot at this and then it's gone. I hope you all have a blessed day.
