《中国春节》

章节摘录

When midnight strikes , the ai r fills with the thunderous noise of fi re crackers exploding and sparking against the night sky Each family lights firecrackers , bidding farewell to the old and welcoming the new Or,in the ease of family businesses as an invitation for an unusually lucky year.Itis especially lucky is especially lucky for one to set off much more fireworks than others , as it is indicative of a sincere splittit.Many courtyards are birghfly lit Fhe next morning , the streels are blanketed with red scraps of paper , with the “D0or Opening.Firecrackers”only adding to the mounds of colorful fi rework paper which complement the red lantern s and streamers that decorate thc houses and the vivacious lion dragon and yahgge dancing that proceed down the street. ……
