《高级英文写作教程》

前言

本册教师用书是根据《高级英文写作教程》课后练习中所提出的问题而编写的。课后练习包括写作对象和目的、篇章结构、句法分析和词汇研究四个部分，涉及到写作的意图与对象，文章的组织与结构、段落的过渡与扩展、句型的选择与运用、词汇的分析与比较、语言的逻辑与表达、文体风格与语气、修辞与典故、节奏与韵律、引语与暗语、构词与词源等各方面的问題。其中有些问题相当微妙、难解，我们在编写答案时颇感棘手，很难做出绝对肯定或否定的回答。再者，由于读者对原文理解角度不同和观点上的差异，得出的结论与答案也不会全然一致，有的甚至截然不同，这是可以理解的。《高级英文写作教程(教师用书)(第二版)》所提供的只是参考性的答案。

章节摘录

The Unicorn in the Garden Reader and Purpose 1 . 1)The wife is plainly despicable . We can see it from what she says and does . First she is a lazy woman . When her husband had had his breakfast she was still asleep . Secondly , she does not love her husband . When her husband told her that there was a unicorn in the garden , she opened one unfriendly eye and turned her back to him . When her husband told her again that the unicorn was eating a lily , she sat up in bed and looked at him , coldly . She even wanted to have him put in the booby-hatch . She telephoned the police and telephoned a psychiatrist to hurry to her house and bring a strait-jacket . All she wanted to do was to shut him up in an institution . 2)We do not think that Thurber intends us to like this husband . This is stated in “ Reader and Purpose ” : “ Although the husband is the hero in the sense of being the good guy ’ , he is no Achilles . Thurber ’ s husbands are not cast in the mold of the Greek hero ; they are mild little men-patient gentle , long-suffering ” . Nevertheless the husband of this kind arouses our sympathy and pity .
