Chapter 13 Women in Global Business  
Chapter 14 Barriers to Cultural Adaptation  
Chapter 15 Culture and Sales Management  
附录- KEY TO THE EXERCISES  
附录二 参考文献一览表

## 章节摘录

International business can be interesting and rewarding. It can also be frustrating and confusing. Keeping these simple rules in mind can help you prevent costly and embarrassing mistakes. 3. Use simple terms but attempt to be specific as well. Some of the simplest words might be interpreted within the context of each situation in which they are used ( e.g. , fast has several meanings ) . Likewise , avoid use of superlatives such as fantastic and terrific because they may be misinterpreted as overly dramatic or insincere. Also avoid overly formal and difficult expressions that may be confusing or considered pompous; e. g. , pursuant to your request or ostentatious. 4.

Follow the same techniques for increasing readability you would use in writing to someone fluent in English : Write short , simple sentences containing only one idea , and construct short paragraphs that focus on developing one major idea. 5. Use the message planning principles you will learn in this course. In addition , learn the subtle differences in the ways different cultures organize messages , especially those presenting bad news. For example , Germans tend to be more direct with bad news , but other cultures avoid negative messages or camouflage them so expertly that the reader might not recognize them. 6. Use graphics , visual aids , and forms whenever possible because they simplify the message. 7. Use figures for numbers. This system is almost universal. Keep in mind , however , that most people in the world use the metric system. Be aware of differences in the way numbers are written. For example , ¥ 2 , 400.00 in the United States is written as 2400 , 00 in other countries. ....
