# 《激进改革》

## 内容概要

This book is a collection of writings by early Reformation radicals which illustrates both the diversity and the areas of agreement in their political thinking. The texts are drawn from the period 1521-27 and centre on the major upheaval of those years for German society, the Peasants' War of 1524-26. The thinkers represented -Müntzer, Karlstadt, Grebel, Hut, Denck, and others- differed on important theological issues. Yet the radicals all rejected the Reformation of the magisterial reformers as serving the interests of society's elite. They advocated a strategy of Reformation through direct action from below, a sweeping transformation of society to the benefit of the lay commoner and the local community. With the start of the Peasants' War, radicals divided over the issue of the legitimacy of force. This division shaped the ways in which they confronted the failure of the Peasants' War as well as the new strategies for survival which they developed in its aftermath. Appended to the texts are a number of political documents of the Peasants' War. These documents illustrate ways in which the radicals contributed to the revolution, and how the uprising itself led to greater clarity in the political theory of the radical Reformation.

## 精彩短评

- 1、剑桥政治系列非常好，争取收齐。
- 2、题目不该这么翻译，思想阶段的西方还是没有到内核，弩马的音乐还在，女儿也在，宗教的价值消失只是帝国价值的一个弥补，帝国的祭祀过程转换一旦完成，宗教价值将回到他的位置上，关于对国家的设计，制度的安放，不过是这个强度之下的一种寻找
